#### MARKING THE DEDICATION OF THE GAYLORD NELSON WILDERNESS WITHIN THE APOSTLE ISLANDS NATIONAL LAKESHORE

Mr. BENNETT. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 297, submitted early today.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The assistant legislative clerk read as follows:

A resolution (S. Res. 297) marking the dedication of the Gaylord Nelson Wilderness within the Apostle Islands National Lakeshore.

There being no objection, the Senate proceeded to consider the resolution.

Mr. FEINGOLD. Mr. President, earlier this fall, Senator KOHL and I introduced a resolution marking the dedication of the Gaylord Nelson Wilderness Area within the Apostle Islands National Lakeshore. Today, the same day the Senate will officially pay tribute to Senator Nelson, we proudly reintroduced our resolution.

On December 8, 2004, approximately 80 percent of the Apostle Islands National Lakeshore in Wisconsin was designated the Gaylord Nelson Wilderness. Although we did not formally celebrate the new wilderness area until August 8, 2005, we have been delighting in the designation ever since December of last year.

The designation of the Gaylord Nelson Wilderness within the Apostle Islands National Lakeshore on August 8, 2005, was a tremendous occasion for both Wisconsin and the country. I was deeply honored to participate in the ceremony marking the creation of the Gaylord Nelson Wilderness. I knew Gaylord, and am proud to occupy his Senate seat. Like all of those in attendance at the dedication ceremony, including Tia Nelson, Governor Doyle, Congressman OBEY, local officials, tribal chairs, and many others, I was deeply saddened that Gaylord wasn't able to be sitting among us, having passed away on July 3, 2005.

However, I do believe that because the area, the magnificent Apostles, and the wilderness designation we were celebrating were such a part of Gaylord, he was in fact there with us that day, urging us to mark the achievement and to continue his life's work of building a national conservation ethic. As we all know, while his record of achievements is long and impressive, it is Senator Nelson's passion and commitment to protecting our environment that will remain the centerpiece of his legacy. For this reason, Senator KOHL and I have submitted a resolution to bring recognition to Gaylord's unwavering efforts on behalf of the environment and to celebrate the dedication of a wilderness area rightly named in his honor.

Gaylord so believed in his responsibility to the environment that he started a revolution that has inspired millions of people from across the globe. The day he created in 1970—Earth Day—has become a cause for celebration, education, and reflection for all. Simply stated, Gaylord Nelson changed the consciousness of a nation, and quite possibly the world. He was a distinguished Governor and Senator, a recipient of the Presidential Medal of
